

Presidential News – January 2025

President Trump is giving all Americans (especially seniors) a renewed sense Comfort, Encouragement, and Hope for a brighter future. It is truly comforting to know that our President is working hard to place the needs of our nation ahead of the needs of other nations as his fundamental priority. Commonsense is back . . . Corruption is being exposed and being delt with. Let's all support the President that has our back along with his choices for agency heads. His "house-cleaning" has been needed for years.
